

objective:	acquisition of language knowledge sufficient to master an exchange semester at a German university or a placement in a German company
target audience:	students from all faculties with interest in a stay in Germany, minimum one semester
requirements:	<u>minimum 150 hours</u> previous knowledge in German; students/participants with more than 150 hours previous knowledge will be tested and individually classified; <u>regular access to a computer with internet</u> and the possibility to communicate via messengers like Skype, MSN or ICQ
content:	altogether 500 hours (workload)
duration:	whole course: (max.) 10 months – part I: common German, part II: special language; more previous knowledge means less hours/time
mentoring:	<u>student tutors</u> of our University of Applied Sciences via internet; working language(s): German in combination with English or Polish or Czech; tutors and/or German teachers on site
exams:	monitoring of learning process (tests after each <u>unit (8)</u>); completion of the course: <u>examination and evaluation in Zittau, in some cases at your university</u>
credits:	analogous to the workload according to the ECTS: <u>16</u> or its equivalent, in case your university credits the course
options:	acquisition of the “German university admission” (deutsche Hochschulzugangsberechtigung) for a study at the University of Applied Sciences Zittau/Görlitz or at the International Hochschulinstitut (IHI) by attending an additional course after the exchange semester
costs:	for the course and the final examination: <u>none</u>
registration:	<u>obligatory</u> registration, see contact (application form on http://profis.hs-zigr.de/profis/)
